'CONNECTING WITH NATURE'

Spring Resort

Connecting With Nature

About Us!

Rengwe conservancy is a wildlife conservation area whose location cuts across Hurungwe, Gokwe North and Nyaminyami districts. It shares borders with Matusadona game park and boasts of diverse flora and fauna, a natural beach, two waterfalls, Mahwindo and Gandavaroyi, the famous Manyenyedzi pool and fishing camp, the iconic Sanyati bridge and natural flowing watercourse cutting through the land surface towards Zambezi valley. This gem is a must-see natural wonder of Zimbabwe that awaits your exploration with stunning and undisturbed natural landscapes. The area has a well developed camping site whose location is a midway camping place for nature lovers, tourists and travellers on journey from Victoria falls to Kariba, From Harare to Binga and from Binga to Kariba.

Rengwe Conservancy seeks to establish Africa's premier integrated wildlife conservancy where luxury tourism, sustainable hunting, scientific breeding, and conservation research create an unparalleled model of wildlife utilization that benefits ecosystems, communities, and Zimbabwe's natural heritage.

Rengwe conservancy aims to have:

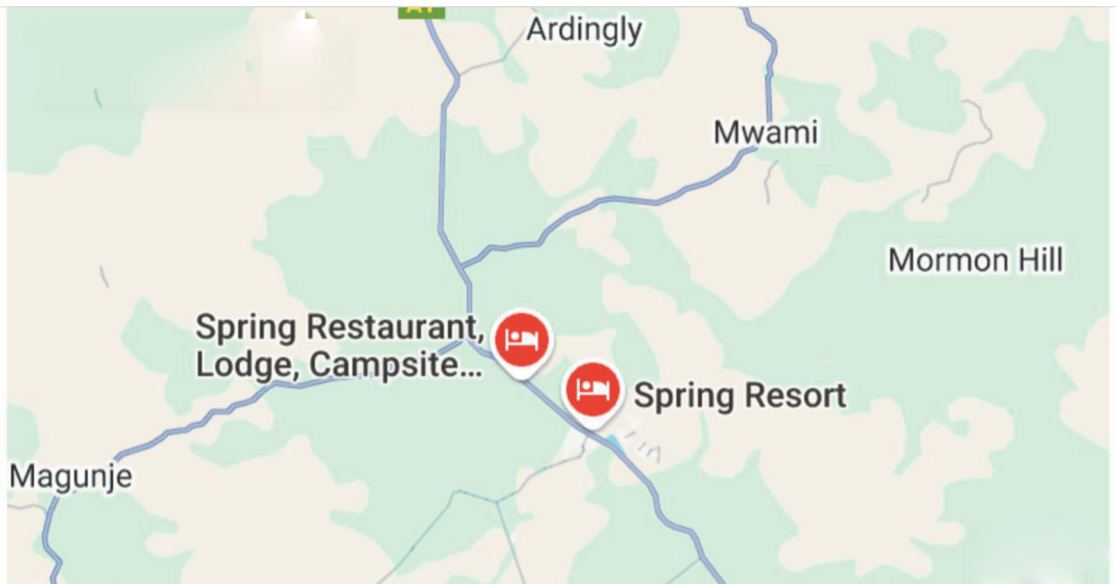

1. Luxury Safari Lodge which will be providing premium accommodation, dining, and non-hunting safari experiences
Trophy Hunting operation which offers ethical, guided hunting experiences with diverse quotas as granted by the National parks and wildlife. The conservancy is a full member of the Safari operators association of Zimbabwe and Zimbabwe professional hunters and guides association.
3. Wildlife Breeding Program Scientific breeding of high-value and threatened antelope species
Enjoy exciting safaris with expert guides and witness a variety of wildlife in their natural habitat.
5. Visit the stunning Mahwindo Falls and take in the peaceful beauty of this hidden natural wonder.
6. Manyenyedzi Fishing Camp & Beach: Relax by the water, enjoy a quiet fishing experience, or unwind on the sandy beach — perfect for leisure and family time.

Chalets

Nestled in a serene haven right by the water, our charming chalets offer a tranquil escape. Embrace the soothing ambiance and rustic charm, perfect for reconnecting with nature and rejuvenating your spirit.

Connecting With Nature

How to get there?

Harare to Spring Resort Lodge (Karoi)

Distance: Approximately 205 km northwest of Harare

Route: Take the A1 highway from Harare toward Chinhoyi, then continue toward Karoi. The road is paved and generally in decent condition, though some sections may have potholes. Expect a drive of about 2.5–3 hours.

From Spring Resort Lodge (Karoi) to Rengwe Conservancy

Distance: Estimated 108 km, likely 1–2 hours by road, depending on the destination and road conditions.

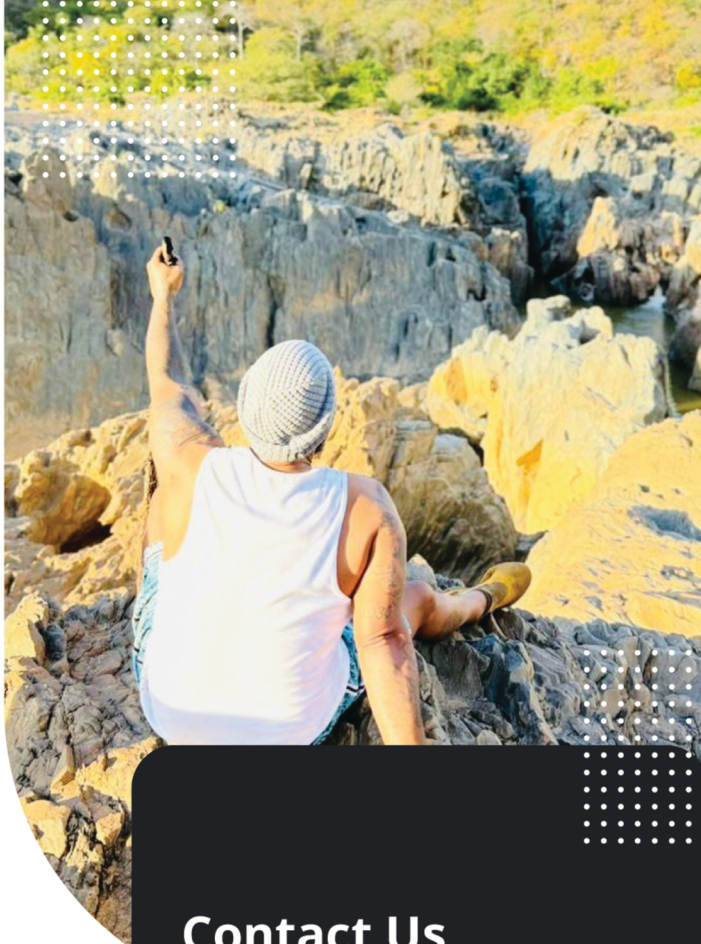

Route: From Karoi, head toward Rengwe via local roads (likely the A1 or smaller routes toward Hurungwe District). Roads may transition to gravel or dirt, especially if heading to a remote conservancy.
